R-412 Rewinder

The Rewinder Everyone Can Use

The R-412 Rewinder has an idler arm that can be positioned to rewind labels from either side of the printer.

The R-412 can rewind "inside or outside" label rolls, depending on the user's requirements.

Modular core adaptor fits 1", 1.5" & 3" core sizes

Colored LED indicator provides rewriter operation status

Rewinding direction switch to rewind "inside or outside" label rolls

Stylish appearance plus a rugged design for long term reliability
